

# HAZARDS PUBLIC WEB FORM

## Smart and Easy Hazard Reporting

### BENEFITS FOR THE ENTIRE ORGANIZATION

#### Executives

Provides a comprehensive means of hazard reporting across your organization.

IndustrySafe's Hazard Public Web Form can be made accessible to all of your stakeholders via a simple web link. No login, username or password is required.

#### Safety Managers

Hazard data is automatically transferred into IndustrySafe for more detailed analysis.

IndustrySafe System Administrators can determine which questions to display on the form, so that your workforce can complete simple or detailed hazard reports.

#### Supervisors and Employees

Enables stakeholders to record hazards without an IndustrySafe user account.

Safety managers can review the hazards submitted, evaluate hazard controls, or develop detailed corrective action plans for hazard resolution.
