

HOME

Keep up to date
with safety activities

BENEFITS FOR THE ENTIRE ORGANIZATION

Executives

Provides a comprehensive view of safety activity across your organization.

IndustrySafe's Home Module serves as a compliance calendar alerting users to upcoming and overdue safety items.

Safety Managers

Assign recurring tasks and events to multiple users.

With the Home Module, you can easily schedule and view all of your related safety activities, including tasks, events, inspections, corrective actions and training.

Supervisors and Employees

Automatically displays users' assigned tasks and events.

The Home Module also provides you with an insightful, high-level view of your organization's recent safety activity.
