

ONLINE SAFETY TRAINING COURSES

Complete and track training with ease

BENEFITS FOR THE ENTIRE ORGANIZATION

Executives

Ensures your employees have the information they need to perform their tasks in a safe manner.

IndustrySafe's new training content package combines state-of-the-art online safety training courses with the tracking, reporting, and scheduling features of IndustrySafe's Training Module.

Training Managers

View status and scores of online training both separately and seamlessly with classroom training.

Our online catalog features many popular safety courses, including Driving Safety, DOT HAZMAT General Awareness, HAZCOM, HAZWOPER: Confined Space Entry, and much more.

Supervisors and Employees

Easily complete online training courses independently, or in groups in the classroom.

When combined with our other intuitive modules, IndustrySafe safety management software serves as a one-stop safety and learning management system.
